## Frozen Cold Brew Latte

Mix 1.5 gallons of cold brew concentrate with 1.5 gallons of milk or milk alternative (soy, almond, or coconut milk).

Add 640mL-768mL\* of simple syrup and mix completely

\*As a general rule: add 10-12mL of simple syrup for every 6 oz. of cold brew concentrate/milk mixture

Target Brix : 13°Bx-21°Bx (11-20% sugar by weight)
